VOL. III. RALEIGH, N. C., MONDAY, AUGUST 3, 1868. NO. 306.

The Daily Sentinel.

WM. E. PELL, Proprietor.

CONSISTENCY.

If any one of our readers desires to see how truly consistent and honest the Rev. George William Welker is, let him call to his mind his celebrated war speech delivered at the great dinner given by that now truly loyal citizen, and son-in-law of brother Welker, Wm. Mebane, Esq., and contrast it with his speeches made and published in the late Constitutional Convention. If this does not satisfy him, we most solemnly urge upon him to get a copy of the preamble and resolutions drafted by him and passed by a public meeting held at Coble's school-house, in July, 1863, if we mistake not, and compare them with the Police Bill, so-called, he has introduced into the Senate. This infamous bill is by far more unconstitutional and tyrannical than any bill ever introduced in the Confederate Congress, in the darkest and most despotic days of the late war, all of which Holden and Welker denounced as being both unconstitutional and tyrannical in the extreme. But now behold the change. Holden, the negro Governor elect, calls for a *Picked, Partisan, Pensioned Police*, in time of peace, to be organized, armed and equipped, and designated by a badge of honor and authority, at the expense of the State, and placed under the command and at the disposal of his royal highness King William the 1st. of the Scallawags. The message is no sooner read than behold the great defender of the Constitution, civil and religious liberty in 1863, the Reverend George William Welker, makes haste to devise and introduce the infamous, tyrannical and unconstitutional Picked, Partizan, Pensioned, Police Bill above referred to. When this outrageous bill is carefully read and contrasted with the Constitution and the preamble and resolutions passed at Coble's school house, if every honest and intelligent man who reads and carefully contrasts them does not honestly come to the conclusion that the Reverend gentleman above named is a knave or a fool, then we are mistaken. And if he heard this man speak at the dinner given by Wm. Mebane, as many ladies and gentlemen of high character and respectability did, we incline to the opinion it will not take him long to decide as to which of the two classes the Reverend gentleman belongs.—*Greensboro Times.*

The latest purpose of the Radical party to arm the negroes of the South is so fraught with danger that some even of the newly admitted Representatives of the South have raised their voices against the monstrous design. Mr. Boyden, a member from North Carolina, in the course of a recent debate, deplored, in the following language, the mischiefs which would inevitably attend this arming of the negroes:

"Mr. Speaker, I am alarmed at the condition of the country. It is proposed to send arms to North Carolina that the people may use them against each other. Great God, we cannot afford to fight each other. Keep away your arms, do nothing to irritate our people, but do everything in your power to assuage and heal the excitement there; we want no arms. I warn the South if arms are sent there we will be ruined; we cannot live there. If we need anything in the way of arms, in God's name send an army of the United States there, but do not arm neighbor against neighbor. There never was a more mischievous measure than this proposition to arm one class of our people against another."

But with their usual disregard of free speech, as soon as it was discovered that Mr. Boyden was opposed to this revolutionary measure, the Radicals effectually closed his mouth. Mr. Boutwell thought him out of order to speak against this measure, though Mr. Stokes had been permitted to advocate it, and the facile Colfax accordingly sustained Mr. Boutwell and administered the gag to Mr. Boyden.

The purposes of the Radical party are so apparent that the people must soon awake to the dangers which seriously threaten their liberties. The arms to be placed in the hands of Southern negroes are intended by the Radicals to be used not against the South alone, but also against the white race of the North. If the purpose of the Radicals is to distribute arms for the preservation of liberty, why do they not arm the white men of the North as well as the negroes of the South?

Their purpose is revolution and negro supremacy as a means of successful revolution. They have lost the confidence of the white man, and seek to win that of the negro. They cannot rely upon white troops, and they propose to arm a band of black janissaries, to be maintained by taxes levied upon the white race, and kept in pay as a means of trampling the superior race under foot. Their designs can no longer be concealed. Let the people of the North awake to a sense of their danger, and secure their threatened liberties by electing and inaugurating into office as guardians of the Constitution those staunch patriots, Seymour and Blair.—*Louisville Courier.*

* * *

ANOTHER RADICAL SCHEME.—An important Radical movement was disclosed here to day, by which it is proposed to cast the entire electoral vote of the South for Grant and Colfax. The carpet-bag Representatives have got up a plan to have the Radical Southern Legislatures choose the Presidential electors in the mode which South Carolina exercised anterior to the war.—Even if new Legislatures be elected this fall with that issue involved, it will be at once seen how easy a matter it will be to secure them by fraud and violence; but beyond this, the unblushing idea is advanced that the Legislatures already in power shall choose the electors. A few days will doubtless fully develop this monstrous political iniquity.—*Wash. Cor. N. Y. World.*

* * *

A SPECIMEN OF SOUTHERN CONGRESSMEN.—The Charleston *Mercury* says of C. C. BOWEN, who has just been admitted to a seat in Congress, that, "a murderer, a forger, a liar, and a gambler, he admirably represents the brutal negro government now in possession of South Carolina."

A trooly loit darky in the Alabama Legislatur, on Saturday, "arose and said:" "I moves de char dat five hundred copies of dis 'ere Legislater be prented." From such an anomalous and enormous reproduction, Alabama says: "Good Lord, deliver us."

The Boston *Post* says: "Niles G. Parker, late of Massachusetts, State Treasurer of South Carolina, is one of 'em. When he is in funds his old partner would like to know it."

[From the Meridian Gazette.]

The Mississippi Carpet-Bagger.

Air—"*Joe Bowers.*"

I am a carpet-bagger—
I've a brother, scallawag—
Come South to boast and swagger
With an empty carpet bag;
To rob the whites of greenbacks,
And with the blacks to 'bunk,'
And change my empty satchel
For a full sole leather trunk.

I'm "some" on "Constitutions"
For a "late rebellious State,"
And I'm "some" on persecutions
Of disloyal men I hate;
I'm "some" at nigger meetings
When white folks ain't about,
And "some" among the nigger gals,
When their marms don't know they're out.

I'm "some" on a Convention,
Where I draw an "X" per day
And opposed to all adjournments,
If I only draw my pay.
I drew it down at Jackson
Where four months I kept my seat,
And I laid a heavy tax on
All you wear and drink and eat.

But now my day is over,
The Constitution's killed;
Again I am a rover,
And my pockets are not filled;
All my money has been spent on
An electioneering "bum"—
Farewell to Mississippi—
O, "I wish I was ter hum!"

BEHOLD THEIR MEANNESS.

A resolution asking Congress to remove the disabilities of certain men in this State was brought up in our scallawag Legislature a few days ago, when Mr. Hodnett asked to have the names of Hon. Bedford Brown and Wm. Long, Esq., included. But the carpet-baggers and scallawags *voted it down!* Now, either of these gentlemen, we undertake to say, pays more tax than the whole of these carpet baggers and scallawags combined, and are to-day *better Union men!* They were the friends to and advocates of the Union when Holden and many of these scallawags denounced it and labored to break it up. Colonel Brown stumped the County and plead for the Union, while Holden plead for secession, and having precipitated them in the horrors of civil war, like men they favored a defence of their homes, while they deplored the dissolution of the Union. And yet they are deemed unworthy of trust, while rampant, before breakfast secessionists, and "war to the knife men," like Holden, are deemed marvelous proper Union men—the only sort fit to trust!—*Milton Chronicle.*

The great impeacher, Ashley, has a few days longer to live—politically. The Radicals of the Tenth Ohio district have called their convention for August 19.

Colonel Badeau, in his life of Grant, affirms that, "when he has nothing to say he says nothing." Of course we can only infer from this that he never had anything to say.

Chief Justice Chase has acquiesced in the arrangement by which Mr. Davis is enabled to go to Europe, as it is not expected that the trial will take place until after the Presidential election.

"A Great Cave at the West" is the heading of an article in a Radical exchange.—Does it refer to the Oregon election?

John Minor Botts is at Saratoga, recovering, says a Radical paper. Not his character, certainly.

Sixty thousand people ratified the nomination of Seymour and Blair in New Orleans.

The Radical soldiers call themselves "The Grant and Colfax boys in blue." The blue will be changed to black in November.

MONDAY, AUGUST 3, 1868.

NATIONAL DEMOCRATIC TICKET!

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

WHAT IS TO BE DONE?

It is perfectly apparent that North Carolina is poorer, now, than she was in 1865, when the war closed. Three years of toil, suffering and anxiety, have brought no improvement with them. Provisions are scarcer in the State, and there is less money to pay for them, than at any period since the war terminated, except in the immediate track of Sherman's army.

Why is this? The majority of the people attribute this to the failure of the crops. It is true, if the seasons had been good, the crops would have been better, and those who work would not have been so needy; but, nevertheless, the amount of suffering and want in the State would have been very large.

The true reason why we are poorer and provisions are scarcer is, that there are at least one fourth more consumers, and one-fourth less producers, in the State, since the war closed, than before. The Radical policy in the Southern States directly leads to the increase of idleness and pauperism.—This is easy of demonstration.

Prior to the close of the war, almost every slave in the South, male and female, and boys and girls over 12 years of age, who lived on the farms, were *producers*.—Women and children, capable of labor, aided in the cultivation of the soil. All this has been changed by the policy of the Radicals. This is not owing to the abolition of slavery. We want no slaves, black or white, in the South, but we *want labor*. The Radical policy has made the negro women and children, who used to be *producers*, altogether *consumers*. Negro boys and girls, from 12 to 18, have quit the fields, as a general thing. White women and children in the South are following the plow and wielding the hoe. Thousands who, in former years, could live without field or manual labor, are now compelled to labor, while large numbers of black women and children shun the toil which makes bread. Almost every dollar of additional wealth in the State must be dug out of the ground. If so, it is demonstrated that the large withdrawal of labor, by the above named causes, is adding to the poverty of the State.

Besides this increase of consumers in the State, a good portion of those white persons, who have come into the State since the war, who are carpet-baggers, have increased the number of consumers. A number of Northern men and foreigners have come into the State, and are pursuing legitimate and profitable employments. They are trying, in various ways, to add to the wealth of the State and of themselves.—These we do not class among the carpet-baggers. We mean those ubiquitous, insinuating creatures, who are ready to hug or kiss a negro to get office, and who labor to alienate the negroes from their old friends and old owners, in order to get fat positions. Such men are a nuisance and a draw-back to any community.

Before North Carolina can increase in wealth and recover her lost condition, our people must go back to the fields. They must dig the dollar from the earth. *Then* we shall prosper and not otherwise.

NEGROES IN OFFICE.

To keep up the deception of the poor negroes, which the carpet-baggers and scalawags have carried on for three years, "Gov." Holden has appointed a number of negroes Justices of the Peace in several counties, and Commissioners in the several towns. The *Standard* makes no distinction, in its columns, between whites and blacks, hence we do not know in what counties and towns negroes have been appointed to office. We shall be obliged to our friends to inform us what blacks have been appointed to particular offices in their counties, and as to the characters of the men.

There is one fact, however, which ought to strike the black and colored population. In no instance, that we hear of, has the "Governor" appointed a single negro to an office *which pays*. A Justice of the Peace, Commissioner of a town, or of the Charitable Institutions, doesn't get any pay. They are mere offices of honor, and our blacks seem anxious to wear them. A few of the blacks get police appointments, but the pay is very shallow in such positions.

ARE YOU for the restoration of the Constitution and the Federal Union, and for Peace? Vote for Seymour and Blair.

ARE YOU for war, for military rule, for an Imperial central government and for a Dictator or Emperor? Vote for Grant and Colfax.

" " Clerk Treasurer State	1200
and 1000 respectively.	

Which was ordered to be printed and made the special order for Wednesday next, at 11 o'clock.

Mr. Osborne, from the joint Committee on *per diem* and mileage, submitted a resolution fixing the *per diem* and mileage as follows, to wit: Speakers $10, Members $7; Clerks $7; Doorkeepers 6, and mileage 20 cents; which was adopted,—Messrs. Barrow, Bellamy, Brogden, Blythe, Colgrove, Cook, Etheridge, Forkner, Galloway, negro, Harrington, Jones, of Wake, Legg, Lindsay, Martindale, Moore, of Carteret, Melchor, McLaughlin, Osborne, Rich, Smith, Wynne and Winstead, voting in the affirmative.

Mr. Rich desired to give a reason for his vote on this resolution. He was in favor of $8 per day for members, and as he could not get that, he would vote for $7.

Subsequently, a message was received from the House, concurring in the action of the Senate.

BILLS.

By Mr. Hayes: A bill providing for the payment of burial expenses of the late Senator Hall, and allowing his wife *per diem* and mileage from the beginning to the end of this session.

The following bills passed their third reading, viz:

Bill concerning the government of Counties;

Code of Civil Procedure;

Bill to empower the County Commissioners to draw Jurors for the Superior Courts.

The following bills passed their second readings, viz:

Bill providing for filling vacancies that may occur in the General Assembly;

Bill to amend an act to incorporate the Greenville and French Broad Railroad Company;

Bill to amend sections 2, 6 and 8, chap. 120, Revised Code;

Bill to incorporate the Salisbury Cemetery Association;

Bill to provide for a Hydrographic survey of the State;

Bill to prevent frauds in the County Treasury.

The following bills were referred to appropriate Committees, viz:

Bill regulating the selling of lands under execution;

Bill to vacate certain lands to the State;

Bill to protect fish in the waters of the State.

A message was received from the House, transmitting a resolution providing for the printing of ten copies for each member of the General Assembly of all the laws enacted by said body, for distribution.

On motion, the Senate adjourned.

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

SATURDAY, Aug. 1, 1868.

The House was called to order at the usual hour.

Prayer by the Rev. Mr. Long, of the House.

Leaves of absence were granted to Pearson, Hodgin and White.

Seymour moved to suspend the rules and take up the bill establishing special Courts in Newbern and Wilmington.

Proctor opposed the motion and moved to print the bill and make it the special order for Wednesday next, at 10 o'clock.

Seymour opposed the motion.

Estes (exquisite c. b. from Maine) was opposed to the bill, and proceeded to make a labored speech in opposition to it. He favored the motion to print.

Proctor's motion was then put and carried.

A message was received from the Senate, concurring in the bill allowing the South Carolina Air Line R. R. to extend their Road within the limits of the State.

Another message from the same body, notifying the House of the adoption of the report of the Conference Committee on *per diem* and mileage.

Estes moved to suspend the rules and take up the bill authorizing the Public Treasurer to borrow one hundred thousand dollars for needy members. The motion was put and carried, of course, and the bill passed its second reading—yeas 67, nays 7.

Ashworth (the Great Unwashed) moved to suspend the rules and take up "Gov." Holden's pet bill, known as the Police bill. He then moved to postpone it until Monday, making it the special order, on that day, at 11 o'clock. Carried.

Harris, of Wake, (negro,) from the Committee on Internal Improvements, reported back a bill introduced by Sykes, (negro,) in regard to the repairing of roads, bridges, &c., recommending that no action be taken upon it.

Also the bill introduced by Leary, (negro,) in regard to the removal of obstructions in the Cape Fear River, recommending no action.

Also the petition from the citizens of Chatham county, for removing obstructions in Haw River, recommending no action.

The bills resumed their place upon the Calendar.

Laflin, from the Committee on Internal Improvements, submitted a report, recommending the passage of the bill extending the Chatham R. R., and moved to suspend the rules and adopt.

Harris, of Wake, (negro,) objected.

Laflin, (c. b.,) after some debate, withdrew the motion.

By Ashworth: A Resolution to protect administrators and guardians. Referred.

By Reynolds, (negro,): A bill to repeal Section 5, Chapter 17, Revised Code. Referred.

By Mr. Pou: A bill to make language likely to lead to a breach of the peace indictable. Referred.

A report was submitted from the committee on Education, recommending that the Rev. Henry Hardie be encouraged in his work, in regard to the resources of the State, with a resolution ordering for the use of the State 2,500 copies.

Stevens moved to suspend the rules and adopt.

Mr. Sinclair said he would be very glad to encourage the work, but the necessities of the people compel us to economize. He opposed the motion to suspend the rules, and moved to place the bill on Calendar.

Seymour never had heard of the work until just now. He favored the suspension of the rules, as they had agreed to adjourn on the 10th., and, unless dispatch was used, it would be impossible for them to get through their business.

Mr. Short concurred with Mr. Sinclair. He thought the various histories of the State would furnish all the necessary knowledge upon the subject. He was opposed to the whole thing.

Mr. Hodnett said that such a measure was in perfect keeping with the policy of the Republican party on this floor, in the reckless and extravagant expenditure of money wrung from an already overburdened people. The State had been surveyed time and again, and sufficient information could be obtained from them. The immigration to the State of farmers, sober mechanics, and other useful men, is prevented by the existence of such heavy and onerous taxes. That was the sort of immigration that they needed and had not, but the sort which they had now was of the kind not at all needed. It was the speculative kind, who came down here simply and solely to build up their fortunes upon the ruins of our hard working and industrious people.

Mr. Durham said that books had been bought several times by the Legislatures upon this subject, but no good had ever accrued from such purchase.

The motion to suspend was put and lost, and the resolution lies over.

Mr. Sinclair introduced a bill in reference to the repairing of public roads and other public works by prisoners in the various county Jails and other places of confinement, and, on his motion, the bill was ordered to be printed.

Laflin moved to suspend the rules and take up the bill in regard to extending the Chatham Railroad. Carried.

After a great deal of debate, on the part of some Radicals, Proctor (H. B. M's.,) moved to amend by striking out the words "by survey." Lost.

The bill, after some discussion, passed its several readings.

Old Major Downing, (wide awake on the money question,) from the Committee of conference on *per diem* and mileage, offered a report, fixing the *per diem* of the presiding officers at $10, clerks and members at $7, doorkeepers $6, and 20 cents mileage.

The report was concurred in.

Leary, (negro,) called up the bill prohibiting the sale of liquor on election days.

The question recurred upon the amendment offered by Mr. Bowman, some days ago, prohibiting the sale of it during the sitting of the Superior Court.

Seymour said he was opposed to *proscriptive* (!!) laws, but as the gentleman from Mitchell, (Bowman,) had given so many good and forcible reasons, why the amendment should be adopted, he (Seymour) would compromise by restricting the operations of the amendment to towns, with less than one thousand inhabitants.

Mr. Bowman would not accept.

Seymour then opposed the amendment.

Mr. Jarvis moved to amend by prohibiting the sale of liquor within five miles of the City of Raleigh, *during the session of the Legislature*.

Harris, of Wake, (negro,) moved to refer to a Special Committee of three.

Mr. Pou favored the bill, as originally reported, but opposed the amendments.

Hutchings (negro,) said that this was a *seous* matter. He wanted to see this State like what he saw in Maine. This dusky individual went on to relate how he saw, in a town in *that* State, a large whisky barrel elevated upon a pole with the bung down, plainly intimating that no liquor was to be obtained.

Mr. Davis offered an amendment, putting a whisky barrel on top of the flag-staff on the Capitol, with the bung down. Ruled out of order.

Justice, of Rutherford, sought to be funny, but nobody laughed.

Old Major D. (temperate old fellow) offered an amendment, excepting towns of a population of 1000. Lost.

The question occurred upon Mr. Jarvis' amendment, which was put to a vote and lost.

Mr. Bowman's amendment was put to a vote and lost—yeas 22, nays 53.

Without further action, the House adjourned from labor to refreshments.

It is understood that Orville Grant, who is known as the respectable Grant, will not vote for his brother, on the ground that he is not fit to be voted for, holds no intercourse with his brother, and in fact entertains the same opinion of his brother now that he did in 1859, when, according to the voice of fame in Galema, he sent to his brother to leave his father-in-law's farm in Missouri and to come to Galena, inasmuch as he had to support him somewhere, and preferred to do it in Galena, where he could get some work out of him, rather than in Missouri, where he couldn't.

THE REPUBLICAN THEORY OF THE POLITICAL SITUATION.—A party of reckless thieves and law-breakers have forced their way into a house, gagged its owner, ravished his wife, and are gorging themselves with plunder. The neighbors appear with the officers of the law.

The thieves and law-breakers stand at all the windows and bellow—"Let us have peace. We are in possession. Go away.—You are revolutionists. You want to stir up civil war. We own this house *de facto*. Only a rebel would raise the question *de jure*. Let us have peace!"—*World.*

A Philadelphia democrat, whose address is the *Mercury* office in that city, offers the following: He will name twelve States and will bet $10,000 on each State that Seymour will carry them; $20,000 that Seymour, if he lives, will be the next President; $5,000 that no radical will dare accept the proposition and put up the money.

VOTE for Grant and Colfax and you vote for war and revolution.

The Chair, in appropriate and well-timed remarks, explained the object of the meeting to be to organize a Seymour and Blair Club and to appoint delegates to the State Convention.

On motion of Maj. James F. Davenport, the Chairman and Secretary were added to the list.

The meeting adjourned to meet again at the call of the President, Mr. Ephraim Leigh, for the purpose of a more permanent and extensive organization.

On motion, a Committee were appointed to draft resolutions, expressive of the sense of the meeting.

While the Committee were absent, Col. Wm. Bingham was called upon, and addressed the meeting in an able and eloquent speech, setting forth the necessity of prompt and determined action.

On motion of Col. Bingham, H. Harbour was elected permanent President, and J. J. White Secretary of the Club. Dr. B. Mebane was elected Vice President and T. B. Thompson, Treasurer.

On motion, the meeting adjourned to meet on the 8th of August.

THE BANKRUPT BILL.

The following is the text of the bill amendatory of the act to establish a uniform system of bankruptcy throughout the United States, which passed both Houses of Congress last week. Its effect is to postpone the action of the fifty per cent. clause, which went into effect June 1, until January next:

Be it enacted, &c., That the provisions of the second clause of the thirty-second section of said act shall not apply to cases of proceedings in bankruptcy commenced prior to the first day of January, 1869, and the time during which the operation of the provision of said clause is postponed shall be extended until the said first day of January, 1869; and said clause is so amended as to read as follows: "In all proceedings in bankruptcy commenced after January, 1869, no discharge shall be granted to a debtor whose assets shall not be equal to fifty per centum of the claims proved against his estate, upon which he shall be liable as the principal debtor, unless the assets in writing of a majority in number and value of his creditors, to whom he shall have become liable as principal debtor, and who shall have proved their claims, be filed in the case at or before the time of the hearing of the application for discharge."

SEC. 2. That said act be further amended as follows: The phrase "presented or defended," in the fourteenth section of said act, shall read, "prosecuted or defended;" the phrase "non-resident debtors," in line five, section twenty-two of the act, as printed in the Statutes at Large, shall read "non-resident creditors;" that the word "or" in the next to the last line of the thirty-ninth section of the act shall read "and;" and that the phrase "section thirteen" in the forty-second section of said act shall read "section eleven;" and the phrase "or spends any part thereof in gaming," in the forty-fourth section of said act, shall read "or shall spend any part thereof in gaming;" and that the words "with the senior register or," and the phrase "to be delivered to the register," in the forty-seventh section of said act, be stricken out.

SEC. 3. That the registers in bankruptcy shall have power to administer oaths in all cases, and in relation to all matters in which oaths may be administered by commissioners or circuit courts of the United States, and such commissioners may take proof of debts in bankruptcy in all cases, subject to revision of such proofs by registers by court, according to the provisions of said act.

THE REGULARS AND THE CARPET-BAGGERS.

The Chicago *Tribune*, the leading Radical organ of the great Northwest, has no patience with the new carpet-bag Senators and Representatives. It accuses them of officiousness and impertinence. The *Tribune* says that instead of manifesting that modesty which becomes men in a new position, and leaving the direction of affairs to the old and experienced members, they were no sooner sworn in than they insolently undertook to dictate to Congress. This "handful" or "parcel of men," says the *Tribune*, made three demands. "One calling upon Congress to continue in session till winter, another demanding legislation for the relief of loyalists in Texas, Mississippi and Virginia, and a third calling for the impeachment of the President, and pledging the assembly to use its best efforts to keep Congress at Washington until he had been removed from office."

The *Tribune* calls them "hot head neophytes," who are "caballing with outsiders from their section of the country, and with political adventurers hailing from nowhere, to produce a pressure for the purpose of influencing legislation."

Congress has passed resolutions of sympathy with "the suffering people of Crete." The *National Intelligencer* says: "The men who stand up and prate over the wrongs of Crete are those who vote deliberately to subject the virtue, intelligence, education and refinement of ten millions of white men, women and children to the brutal passions, vicious propensities and debased ignorance of three millions of blacks, just emerged from slavery."

VOTE for Seymour and Blair and you have peace and the Constitution.

COLLEGES AND SCHOOLS.

Louisburg Female College,
FRANKLIN CO., N. C.
THE FALL SESSION OF 1868 will begin on the 13th day of August.
The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.
CHARGES PER SESSION OF 20 WEEKS:
Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.
ADVANTAGES.
An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.
For Circulars, containing full particulars, apply to
T. M. JONES,
June 15-tf President.

Wake Forest College, N. C.
THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.
Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.
The officers of intruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.
The location of the College, in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.
A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.
Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.
Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

THE SENTINEL.

LOCAL DEPARTMENT.

MONDAY, AUGUST 3, 1868.

TO MONTHLY SUBSCRIBERS.

Those who subscribed for the *Sentinel* at the beginning of the session of the Legislature, and paid for one month, are reminded that the time for renewal has arrived.

COUNTY CONVENTION.

We are requested to announce that a Convention of delegates, from each Captain's District in the County of Wake, will meet at the Court House, in Raleigh, on the second Saturday, (being the 8th. day,) of August next, to appoint delegates to attend the Democratic State Convention, and to make such other arrangements as may be deemed necessary.

Our friends throughout the County are urged to hold meetings at once, to send delegates, and to form SEYMOUR and BLAIR Clubs.

All the friends of Seymour and Blair are invited to attend the County Convention.

SEYMOUR AND BLAIR! !

A meeting of the Democrats and Conservatives of Raleigh will be held at the Court House, this (Monday) night, for the purpose of naming delegates to the County Convention, which is to assemble in this city, on Saturday next, to appoint delegates to the State Convention.

Addresses may be expected from distinguished gentlemen.

NEW ADVERTISEMENTS.—Inks, Black and Colored: Wm. E. Pell, *Sentinel* Office.

Coffees, Candy, Soda, Flour, Irish Potatoes: Upchurch & Dodd's.

N. C. and Sugar cured Hams, Sides, Gunpowder and Shot, Lard, Turnip Seed, &c.: G. T. & W. C. Stronach.

Lightning Apple Parers, Garden and Farm Tools, Oil, Lead and Varnishes: Thomas H. Briggs, Fayetteville Street.

SEVERAL meetings were held in various parts of Wake, on Saturday, for the formation of Seymour and Blair Clubs. We hope that our friends will not fail to send in the proceedings. Every exhibition of the earnestness of the people helps on the good cause.

THE MASS MEETING AT SELMA.—The Seymour and Blair meeting at Selma, on the 11th. instant, promises to be a grand affair. The most extensive arrangements have been made for a glorious rally of the friends of the Constitution and the Union. Among the distinguished Speakers who have promised their attendance are W. M. Robbins, Esq., Hon. Jas. W. Osborne, Col. R. H. Cowan, and Plato Durham, Esq. Let Raleigh send a full delegation.

THE APPROACHING CONVENTION.—THE PEOPLE—*the true people*—of North Carolina are moving in every quarter. The Democratic State Convention on the 13th. prox. promises to be the grandest affair of the sort ever held in the State. Come up, friends! Come, with your banners and music. The various railroads will doubtless pass delegates and others at half fare and run special trains on the occasion. We think that we can safely promise that every Democrat and Conservative in Raleigh, who can possibly do so, will entertain one or more guests.

LEGISLATURE, SATURDAY.—The proceedings in the House, on Saturday, were devoid of interest.

In the Senate, Majority and Minority reports, from the Committee on Salaries and Fees, were submitted. As we expected, the most extravagant and outrageous salaries are contemplated,—at a time, too, when the people are over burdened with taxes and there is a deficit in the Treasury. But the Legislature can borrow at enormous interest, and the cormorants can be fed!

EDGECOMBE.—There was a glorious rally of the friends of Seymour and Blair, at Tarboro', on the 25th. ult. Judge Howard addressed the meeting in a clear and forcible speech. Forty delegates were appointed to the approaching State Convention.

WILSON.—The Democrats and Conservatives of this county have held a large and enthusiastic Ratification meeting, and appointed two delegates from each Captain's District to the Democratic State Convention on the 13th. inst. An Executive Committee for the county was also formed.

ONE FEATURE of the late immense torch light Ratification meeting of the friends of Seymour and Blair, in Selma, Alabama, was forty young ladies, representing the States and Territories, borne in a triumphal car through the streets.

THIEM & MILLER'S EXCHANGE.—The new Restaurant, opposite Tucker Hall, fitted up by Thiem and Miller, is said to be a gem of taste in its interior arrangement and decoration, while the inner man can be supplied with everything palatable and refreshing.—It beats anything of the kind, we are informed, ever established in Raleigh.—Thiem, we expect, is responsible for the handsome getting up, while Miller, always polite and accommodating, will do the honors.

DEAF MUTE CASKET.—This paper is published very neatly at the Institution for the Deaf, Dumb and the Blind, in this city, once a month. The July No. gives an account of the history, progress and government of the Institution. The students last session numbered 104. Under the superintendence of W. J. Palmer, Esq., and his excellent assistants and teachers, the management has been efficient and the Institution is growing in character. The re-appointment of Mr. Palmer will be universally approved.

Let us have peace, says Grant. Grant's masters in Congress seek a new civil war at the South.

WHAT WE MUST DO IN SELF-DEFENCE!

At a meeting of the Seymour and Blair Club, held at Wadesboro', on the 25th ult., the following resolutions were unanimously adopted:

WHEREAS, It is the avowed policy of the leaders of the Radical party in this State to exclude from every employment under the State all persons who are opposed to the principles of that party; and whereas, we, as a portion of the Conservative party of North Carolina, are opposed to Radicalism in all its forms, principles and policy; therefore,

Resolved, That, in self-defence, we will, on all occasions and under all circumstances, give preference to laborers and others of the Conservative and Democratic party in all employments under our control.

Conservatives and Democrats, everywhere, *are forced* to adopt this policy. Our opponents are determined, AND SO MUST WE BE. Stand up to your friends! Help those who help you! Yet relieve the starving of all creeds, who are worthy and deserving.

THE NEW YORK *Tribune* advises "Northern men, who are not Democrats, not to emigrate Southward, until it shall have been settled that they may there enjoy the protection of the laws." What contemptible malignity and implied mendacity! Every one of the Southern States is either under Radical rule or military sway, and *all* of them have been governed by the sword and the bayonet since the surrender. If any one, therefore, has been, or is, deprived of the "protection of the laws," whose fault is it? The only people who are likely to be deprived of the "protection of the laws" in North Carolina, are the true *white* men of the State, whom it is proposed to oppress, intimidate and keep from the polls by an armed negro Militia or Police force! *We* would not advise anybody to "emigrate Southward," if such an infamy is consummated,—for we shall have neither peace, quiet, security nor "protection of laws."

The *Tribune* knows very well that the prime instigators of all this mischief are the Northern carpet-baggers, who wish to fill their hungry maws by schemes of disfranchisement, plunder and terror. Their lawless, vindictive and mercenary designs are abetted by only a few depraved and abandoned scallawags and turbulent negroes.

WAYNE.—A large number of the citizens of Goldsboro' met in that place, last week, to form a Seymour and Blair Club. Dr. A. C. Davis was called to the Chair and Messrs. T. W. Slocumb and E. B. Goelet were appointed Secretaries. The meeting was ably and eloquently addressed by Col. J. W. Morris, Hon. W. T. Dortch, Col. L. W. Humphrey and Wm. Robinson, Esq. Great enthusiasm prevailed. The following permanent officers of the Club were chosen, viz: President, Col. L. W. Humphrey; Vice President, W. G. Morisey, Esq; Corresponding Secretary, Dr. Daniel Cogdell; Recording Secretary, Thos. W. Slocumb, Esq.; Treasurer, Jno. H. Powell. The subjoined resolutions, among others, were adopted, viz:

Resolved, That we do assure the colored people of Goldsboro' and Wayne county of our kindly and friendly feelings towards them, and hereby invite them to unite with us in this organization to restore constitutional government and to subvert the reckless acts of the radical party.

Resolved, That we invite the people of the county to meet us here *en masse* on Saturday, the 1st prox., to consult together and to nominate delegates to the State Democratic Convention to be held in Raleigh on the 13th day of August next.

A CAPITAL EXAMPLE.

At a Mass Meeting in Anson, recently, among large numbers of white Conservatives and Democrats, there were a number of blacks and colored persons. After Col. Bennett and others had addressed the meeting, some anxiety was manifested to hear from Mike Edwards, a colored man present. The *Argus* says:

"Mike responded, and addressed himself mainly to the colored folks, in a few well timed and sensible remarks. He pointed out to them the wrong they were doing themselves in operating with and voting with people who were doing all they could to degrade their old masters, and how much their course was bound to injure those upon whom they were dependent for their bread. If those who employ them suffer, so must they."

AT A LATE meeting of the Conservative Army and Navy Union, in Washington, that gallant soldier and patriotic statesman, Gen. Ewing, said:

"Comrades, it is for us to shake off this horrid incubus that hangs above our Southern brethren, and we will do it at the ballot-box in November. (Prolonged applause.) It is impossible that any sensible Radical can for a moment believe that these governments can stand—despotisms planted on the necks of men as brave as we are, men who love liberty as much as we do, men of a race who during the past 300 years have never bowed to a despot."

ANSON.—At a late meeting of the friends of Seymour and Blair, in Wadesboro', any Conservative citizen of Anson, who may be in Raleigh on the day of the meeting of the approaching State Convention, is requested to represent the county. In default thereof, Hon. Sion H. Rogers and R. H. Battle, jr., Esq., are requested to act as proxies.

Hams, Sugars, Coffees, Fine Old Whiskies: B. P. Williamson.

MISCEGENATION.—Some of the Yankees who have come to this city since the close of the war have illustrated their belief in the doctrine of negro equality by marrying negro women. We heard yesterday of two cases in which white men from the North had married mulattoes. The marriages were solemnized, we learn, in Washington. —*Rich. Enquirer.*

GEORGIA DEMOCRATIC CONGRESSMEN.—Hon. Nelson Tift, one of the newly admitted Representatives in Congress from Georgia, asks a correction of the statement of our correspondent O. K., made on the 27th instant, classing him politically as a republican. Mr. Tift says he is now and always has been a democrat. Mr. Young, Representative from the same State, was correctly reported to be a democrat. Both are native Georgians, and are, as we are assured, men of character and intelligence.—*Balt. Sun.*

GRANT says "Let us have peace." What does he mean but that the "Empire is peace?"

STATE NEWS.

Zara Ben. Jeames (better known as Font Taylord) made a so called speech to the negroes of Warren, on Monday of last week. He was accompanied by Jim Jones, another darkey. The *Courier* was more favorably impressed with Jim Jones than with Zara Ben.

Eaton Robinson, negro, of Warren, sensibly declines the appointment of Squire affectionately tendered him by the man who "writes himself Governor." Eaton says he knows more about shoe-making than administering the law.

Mr. John H. Hyman, of Scotland Neck, died at his home on Wednesday, the 22nd. ult., of consumption.

The individual, "who writes himself Governor," has made the following appointments, in part, of magistrates for Granville, viz: Capt. I. J. Young, R. E. Young, W. H. Hughes and S. G. Wilson. The Henderson *Index* suggests that, under *existing circumstances*, one of them would do well not to accept. If he does, it will ventilate him.

The Democrats and Conservatives of Newbern have entered upon the campaign with fine spirit. Meetings are frequent and enthusiastic. At the last meeting of the City Club, a Committee of six from each Captain's District in the county was appointed, to attend to the organization of Seymour and Blair Clubs throughout the county.

The *Journal* intimates that Galloway, the negro "Senator" from New Hanover, slapped the face of one of the white Radical officials elect in that county, during a recent visit to Wilmington.

The Concord *Press* states that a highly respectable Conservative gentleman, Col. Kennedy, living within four miles of Big Lick, Stanly County, was rocked a short time ago by the "trooly loil" of that section. Since that time, Col. K. has received several notes, ordering him to settle up his business and leave, on penalty of being hung for failure. Such outrages, the *Press* is informed, are of frequent occurrence in that neighborhood. If Holden's black and white standing army is formed, they will never be sent to "Big Lick."

Messrs. Sherwood C. Liles and Sanford Liles, of Anson, appointed magistrates by Holden, decline the "honor." The former says, with true spirit, that "he covets no honors from the source whence this appointment comes"; and the latter says, with equal manliness: "I do not want any office; and, if I did, would, most certainly, not ask it at the hands of Gov. Holden. Besides, there are men appointed as magistrates in Anson with whom I could not associate, officially or otherwise."

We have received an advance copy of a little pamphlet by Sergeant Bates, giving an interesting account of his march through the South, from Vicksburg to Washington. The work will be used for campaign purposes. Orders can be sent to Sergeant Bates, care of Conservative Army and Navy Union. Price $8 per hundred.—*Wash. Express.*

Stokes, the Tennessee "loyalist," who does not know as much about the English language as Theodorus did about Choctaw, enlisted as rebel soldier May 10, 1861, and "commended Isham G. Harris, Governor of Tennessee, for arming the State and resisting Lincoln at the point of the bayonet."

GOVERNOR OF TENNESSEE.—The election for Governor in this State will not take place until August, 1869, and the neighbors of Andrew Johnson alrready press his name for the Gubernatorial office—the best they can give under the circumstances.

A dispatch from Chicago says: "Mr. Pendleton has been invited by the Democratic State Committee to stump Illinois.—It is reported that he has accepted the invitation, and will make his first speech about the middle of August at Springfield."

The Radicals have increased the national debt since the close of the war nine hundred millions of dollars. At this rate, if that party is continued in power, how long will it take the nation to get out of debt, and relieve the people from taxation?

In Kentucky, ex-Governors Bramlette and Jacob, Governor Stevenson, and Colonel Wolford, are all on the stump, and the enthusiasm is great in spite of the fact that the Radicals oppose no ticket to make a fight.

Atlanta was illuminated on Friday night. This time in honor of the Union candidates, not by Federal Generals in the name of Union by the blazes of her own dwellings.

It is no wonder that Butler did not hurt the rebels at Big Bethel. When they cocked their guns he cocked his eye and shot to the rear.

Grant is as dead as the hundred and seventeen thousand poor fellows that he sacrificed between the Rapidan and City Point.

The negro and scallawag members of the Texas Convention have voted themselves fifteen dollars a day for their valuable services in making a Constitution.

It is said that the Editor's Drawer in *Harper's Magazine* is made up by a woman. So are a great many editors' drawers.

THE FUNDING BILL DEAD.—It is authoritatively announced that the President will not sign the funding bill.

Mr. Seymour is a judge of men, Grant of horses and pups.

To Teachers.

THE TRUSTEES OF OXFORD FEMALE Academy will elect a Principal for that Institution, on the 1st of September next.

They desire to secure the services of a Teacher, whose character and acquirements will afford a guarantee of the best kind of School. To such an one they will offer liberal terms.

For information, address either the President or Secretary of the Board.

J. S. AMIS, President.

A. LANDIS, Sec'y.

University of Virginia.

THE FORTY-FIFTH SESSION of this institution will begin on the 1st day of Oct. 1868, and end on the Thursday before the 4th of July, 1869.

The organization of the institution is very complete, embracing extensive and thorough courses of instruction in Literature and Science and in the professions of Law, Medicine and Engineering.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Aug. 1st, P. M.

Considerable anxiety is felt regarding the position of the Cabinet.

The New York *Times* (Radical,) says that the position of the Cabinet in regard to the Democratic nominees is ascertained to be as follows: "None of them are satisfied with the nominations, but Messrs. McCulloch and Browning will probably support them, while Messrs. Seward, Randall and Welles will, unless they alter their present opinions, remain as neutral as possible during the campaign, and Messrs. Evarts and Schofield will vote for Grant and Colfax."

The time for converting Seven-Thirties expired to-day. There are about five millions outstanding, which will be paid in currency, at par.

The Republican National Executive Committee is in session at New York

The President has tendered to Lt. Gov. Cox, of Ohio, the revenue commissionership, assuring Cox that Rollins would give way to him, and relieve all parties of trouble. Cox declines on account of engrossing personal business.

FROM NEW YORK—SANTA ANNA.

NEW YORK, Aug. 1, P. M.

The steamer *Missouri* brings details that the Cubans are petitioning for the abolition of the censorship of Telegraphic dispatches.

The editor of the *El Pays* has been arrested, for slandering Santa Anna.

Great excitement prevailed regarding Santa Anna's emissaries at New Orleans. The government is taking measures to give them a warm reception, whenever they might land.

FROM GEORGIA.

AUGUSTA, Aug. 1, P. M.

A Republican mass meeting, mostly composed of negroes, was held at the Court House, to-day, for the purpose of appointing delegates to the State Convention.

A letter was read from Joshua Hill, saying that he would stump the State for Grant and Colfax.

FROM NEW ORLEANS—NO YELLOW FEVER, AC.

NEW ORLEANS, Aug. 1, P. M.

The report that yellow fever prevails in New Orleans is a great mistake. But two deaths have occurred during the season—sporadic cases.—The city was never healthier.

Gov. Warmouth nominated, and the Senate confirmed, five Judges of the Supreme Court, on yesterday. Jno. T. Ludwig, Chief Justice, was a prominent Conservative member of the Convention. J. G. Taliaferro, one of the Associate Justices, was President of the Convention, and the late Conservative Republican candidate for Governor. Two of the others were already on the Bench.

FROM ALABAMA—THE LEGISLATURE.

MONTGOMERY, August 1, P. M.

In the Senate, to-day, a militia bill was passed. It simply authorizes the Governor to organize the militia when he sees proper.

The disability removal bill was hotly discussed. Mr. Pennington, (good for John!) and other Republicans, strongly urge the removal of all disabilities. The native Republicans generally favor it, but the Northern Republicans (carpet baggers) oppose it.

In the House, Mr. McCraw, the Speaker, got through a bill removing the disabilities from the people of Chambers county. This is hoped to be the entering wedge for a general bill.

The Common Carrier Bill, introduced by a negro from Mobile, is a bone of contention and is causing much hard feeling. The negroes are clamorous for the removal of discriminations, and the mover of the bill says that if it does not pass, it will cause serious disturbance in Mobile. The bill provides that whites and blacks shall ride in the same railway cars, and in the same steamboat cabins.

MONDAY, AUGUST 3, 1868.

NATIONAL DEMOCRATIC TICKET!

FOR PRESIDENT,
HON. HORATIO SEYMOUR,
OF NEW YORK.

FOR VICE PRESIDENT,
GEN. FRANK P. BLAIR,
OF MISSOURI.

WHAT IS TO BE DONE?

It is perfectly apparent that North Carolina is poorer, now, than she was in 1865, when the war closed. Three years of toil, suffering and anxiety, have brought no improvement with them. Provisions are scarcer in the State, and there is less money to pay for them, than at any period since the war terminated, except in the immediate track of Sherman's army.

Why is this? The majority of the people attribute this to the failure of the crops. It is true, if the seasons had been good, the crops would have been better, and those who work would not have been so needy; but, nevertheless, the amount of suffering and want in the State would have been very large.

The true reason why we are poorer and provisions are scarcer is, that there are at least one fourth more consumers, and one-fourth less producers, in the State, since the war closed, than before. The Radical policy in the Southern States directly leads to the increase of idleness and pauperism.—This is easy of demonstration.

Prior to the close of the war, almost every slave in the South, male and female, and boys and girls over 12 years of age, who lived on the farms, were *producers*.—Women and children, capable of labor, aided in the cultivation of the soil. All this has been changed by the policy of the Radicals. This is not owing to the abolition of slavery. We want no slaves, black or white, in the South, but we *want labor*. The Radical policy has made the negro women and children, who used to be *producers*, altogether *consumers*. Negro boys and girls, from 12 to 18, have quit the fields, as a general thing. White women and children in the South are following the plow and wielding the hoe. Thousands who, in former years, could live without field or manual labor, are now compelled to labor, while large numbers of black women and children shun the toil which makes bread. Almost every dollar of additional wealth in the State must be dug out of the ground. If so, it is demonstrated that the large withdrawal of labor, by the above named causes, is adding to the poverty of the State.

Besides this increase of consumers in the State, a good portion of those white persons, who have come into the State since the war, who are carpet-baggers, have increased the number of consumers. A number of Northern men and foreigners have come into the State, and are pursuing legitimate and profitable employments. They are trying, in various ways, to add to the wealth of the State and of themselves.—These we do not class among the carpet-baggers. We mean those ubiquitous, insinuating creatures, who are ready to hug or kiss a negro to get office, and who labor to alienate the negroes from their old friends and old owners, in order to get fat positions. Such men are a nuisance and a draw-back to any community.

Before North Carolina can increase in wealth and recover her lost condition, our people must go back to the fields. They must dig the dollar from the earth. *Then* we shall prosper and not otherwise.

* * *

NEGROES IN OFFICE.

To keep up the deception of the poor negroes, which the carpet-baggers and scalawags have carried on for three years, "Gov." Holden has appointed a number of negroes Justices of the Peace in several counties, and Commissioners in the several towns. The *Standard* makes no distinction, in its columns, between whites and blacks, hence we do not know in what counties and towns negroes have been appointed to office. We shall be obliged to our friends to inform us what blacks have been appointed to particular offices in their counties, and as to the characters of the men.

There is one fact, however, which ought to strike the black and colored population. In no instance, that we hear of, has the "Governor" appointed a single negro to an office *which pays*. A Justice of the Peace Commissioner of a town, or of the Charitable Institutions, doesn't get any pay. They are mere offices of honor, and our blacks seem anxious to wear them. A few of the blacks get police appointments, but the pay is very shallow in such positions.

ARE YOU for war, for military rule, for an Imperial central government and for a Dictator or Emperor? Vote for Grant and Colfax.

Which was ordered to be printed and made the special order for Wednesday next, at 11 o'clock.

Mr. Osborne, from the joint Committe on *per diem* and mileage, submitted a resolution fixing the *per diem* and mileage as follows, to wit: Speakers $10, Members $7; Clerks $7; Doorkeepers 6, and mileage 20 cents; which was adopted,—Messrs. Barrow, Bellamy, Brogden, Blythe, Colgrove, Cook, Etheridge, Forkner, Galloway, negro, Harrington, Jones, of Wake, Legg, Lindsay, Martindale, Moore, of Carteret, Melchor, McLaughlin, Osborne, Rich, Smith, Wynne and Winstead, voting in the affirmative.

Mr. Rich desired to give a reason for his vote on this resolution. He was in favor of $8 per day for members, and as he could not get that, he would vote for $7.

Subsequently, a message was received from the House, concurring in the action of the Senate.

BILLS.

By Mr. Hayes: A bill providing for the payment of burial expenses of the late Senator Hall, and allowing his wife *per diem* and mileage from the beginning to the end of this session.

The following bills passed their third reading, viz:

Bill concerning the government of Counties;

Code of Civil Procedure;

Bill to empower the County Commissioners to draw Jurors for the Superior Courts.

The following bills passed their second readings, viz:

Bill providing for filling vacancies that may occur in the General Assembly;

Bill to amend an act to incorporate the Greenville and French Broad Railroad Company;

Bill to amend sections 2, 6 and 8, chap. 120, Revised Code;

Bill to incorporate the Salisbury Cemetery Association;

Bill to provide for a Hydrographic survey of the State;

Bill to prevent frauds in the County Treasury.

The following bills were referred to appropriate Committees, viz:

Bill regulating the selling of lands under execution;

Bill to vacate certain lands to the State;

Bill to protect fish in the waters of the State.

A message was received from the House, transmitting a resolution providing for the printing of ten copies for each member of the General Assembly of all the laws enacted by said body, for distribution.

On motion, the Senate adjourned.

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

SATURDAY, Aug. 1, 1868.

The House was called to order at the usual hour.

Prayer by the Rev. Mr. Long, of the House.

Leaves of absence were granted to Pearson, Hodgin and White.

Seymour moved to suspend the rules and take up the bill establishing special Courts in Newbern and Wilmington.

Proctor opposed the motion and moved to print the bill and make it the special order for Wednesday next, at 10 o'clock.

Seymour opposed the motion.

Estes (exquisite c. b. from Maine) was opposed to the bill, and proceeded to make a labored speech in opposition to it. He favored the motion to print.

Proctor's motion was then put and carried.

A message was received from the Senate, concurring in the bill allowing the South Carolina Air Line R. R. to extend their Road within the limits of the State.

Another message from the same body, notifying the House of the adoption of the report of the Conference Committee on *per diem* and mileage.

Estes moved to suspend the rules and take up the bill authorizing the Public Treasurer to borrow one hundred thousand dollars for needy members. The motion was put and carried, of course, and the bill passed its second reading—yeas 67, nays 7.

Ashworth (the Great Unwashed) moved to suspend the rules and take up "Gov." Holden's pet bill, known as the Police bill. He then moved to postpone it until Monday, making it the special order, on that day, at 11 o'clock. Carried.

Harris, of Wake, (negro,) from the Committee on Internal Improvements, reported back a bill introduced by Sykes, (negro,) in regard to the repairing of roads, bridges, &c., recommending that no action be taken upon it.

Also the bill introduced by Leary, (negro,) in regard to the removal of obstructions in the Cape Fear River, recommending no action.

Also the petition from the citizens of Chatham county, for removing obstructions in Haw River, recommending no action.

The bills resumed their place upon the Calendar.

Laflin, from the Committee on Internal Improvements, submitted a report, recommending the passage of the bill extending the Chatham R. R., and moved to suspend the rules and adopt.

Harris, of Wake, (negro,) objected.

Laflin, (c. b.) after some debate, withdrew the motion.

By Ashworth: A Resolution to protect administrators and guardians. Referred.

By Reynolds, (negro,): A bill to repeal Section 5, Chapter 17, Revised Code. Referred.

By Mr. Pou: A bill to make language likely to lead to a breach of the peace indictable. Referred.

A report was submitted from the committee on Education, recommending that the Rev. Henry Hardie be encouraged in his work, in regard to the resources of the State, with a resolution ordering for the use of the State 2,500 copies.

Stevens moved to suspend the rules and adopt.

Mr. Sinclair said he would be very glad to encourage the work, but the necessities of the people compel us to economize. He opposed the motion to suspend the rules, and moved to place the bill on Calendar.

Seymour never had heard of the work until just now. He favored the suspension of the rules, as they had agreed to adjourn on the 10th., and, unless dispatch was used, it would be impossible for them to get through their business.

Mr. Short concurred with Mr. Sinclair. He thought the various histories of the State would furnish all the necessary knowledge upon the subject. He was opposed to the whole thing.

Mr. Hodnett said that such a measure was in perfect keeping with the policy of the Republican party on this floor, in the reckless and extravagant expenditure of money wrung from an already overburdened people. The State had been surveyed time and again, and sufficient information could be obtained from them. The immigration to the State of farmers, sober mechanics, and other useful men, is prevented by the existence of such heavy and onerous taxes. That was the sort of immigration that they needed and had not, but the sort which they had now was of the kind not at all needed. It was the speculative kind, who came down here simply and solely to build up their fortunes upon the ruins of our hard working and industrious people.

Mr. Durham said that books had been bought several times by the Legislatures upon this subject, but no good had ever accrued from such purchase.

The motion to suspend was put and lost, and the resolution lies over.

Mr. Sinclair introduced a bill in reference to the repairing of public roads and other public works by prisoners in the various county Jails and other places of confinement, and, on his motion, the bill was ordered to be printed.

Laflin moved to suspend the rules and take up the bill in regard to extending the Chatham Railroad. Carried.

After a great deal of debate, on the part of some Radicals, Proctor (H. B. M's.,) moved to amend by striking out the words "by survey." Lost.

The bill, after some discussion, passed its several readings.

Old Major Downing, (wide awake on the money question,) from the Committee of conference on *per diem* and mileage, offered a report, fixing the *per diem* of the presiding officers at $10, clerks and members at $7, doorkeepers $6, and 20 cents mileage.

The report was concurred in.

Leary, (negro,) called up the bill prohibiting the sale of liquor on election days.

The question recurred upon the amendment offered by Mr. Bowman, some days ago, prohibiting the sale of it during the sitting of the Superior Court.

Seymour said he was opposed to *proscriptive* (!!) laws, but as the gentleman from Mitchell, (Bowman,) had given so many good and forcible reasons, why the amendment should be adopted, he (Seymour) would compromise by restricting the operations of the amendment to towns, with less than one thousand inhabitants.

Mr. Bowman would not accept.

Seymour then opposed the amendment.

Mr. Jarvis moved to amend by prohibiting the sale of liquor within five miles of the City of Raleigh, *during the session of the Legislature.*

Harris, of Wake, (negro,) moved to refer to a Special Committee of three.

Mr. Pou favored the bill, as originally reported, but opposed the amendments.

Hutchings (negro,) said that this was a *seeus* matter. He wanted to see this State like what he saw in Maine. This dusky individual went on to relate how he saw, in a town in *that* State, a large whisky barrel elevated upon a pole with the bung down, plainly intimating that no liquor was to be obtained.

Mr. Davis offered an amendment, putting a whisky barrel on top of the flag-staff on the Capitol, with the bung down. Ruled out of order.

Justice, of Rutherford, sought to be funny, but nobody laughed.

Old Major D. (temperate old fellow) offered an amendment, excepting towns of a population of 1000. Lost.

The question occurred upon Mr. Jarvis' amendment, which was put to a vote and lost.

Mr. Bowman's amendment was put to a vote and lost—yeas 22, nays 53.

Without further action, the House adjourned from labor to refreshments.

* * *

It is understood that Orville Grant, who is known as the respectable Grant, will not vote for his brother, on the ground that he is not fit to be voted for, holds no intercourse with his brother, and in fact entertains the same opinion of his brother now that he did in 1859, when, according to the voice of fame in Galema, he sent to his brother to leave his father-in-law's farm in Missouri and to come to Galena, inasmuch as he had to support him somewhere, and preferred to do it in Galena, where he could get some work out of him, rather than in Missouri, where he couldn't.

* * *

THE REPUBLICAN THEORY OF THE POLITICAL SITUATION.—A party of reckless thieves and law-breakers have forced their way into a house, gagged its owner, ravished his wife, and are gorging themselves with plunder.

The neighbors appear with the officers of the law.

The thieves and law-breakers stand at all the windows and bellow—"Let us have peace. We are in possession. Go away.—You are revolutionists. You want to stir up civil war. We own this house *de facto*. Only a rebel would raise the question *de jure*. Let us have peace!"—*World.*

* * *

A Philadelphia democrat, whose address is the *Mercury* office in that city, offers the following: He will name twelve States and will bet $10,000 on each State that Seymour will carry them; $20,000 that Seymour, if he lives, will be the next President; $5,000 that no radical will dare accept the proposition and put up the money.

VOTE for Grant and Colfax and you vote for war and revolution.

RATIFICATION MEETING IN TYRRELL.

At a meeting of the citizens of Tyrrell county, held in the Court House in the town of Columbia, on the 27th. of July, 1868, Ephraim Leigh, Esq., was called to the Chair and Mr. Zebulon Kemp was appointed Secretary of the meeting.

The Chair, in appropriate and well-timed remarks, explained the object of the meeting to be to organize a Seymour and Blair Club and to appoint delegates to the State Convention.

The nominations made at the National Convention of New York, and the Platform of Principles there adopted, were unanimously and with much enthusiasm approved.

On motion, the Chair appointed the following gentlemen to attend the Democratic State Convention in Raleigh, on the 13th of August, to wit: Chas. McClees, D. S. Sanderlin, W. W. Walker, W. D. Cooper, M. D. L. Newbery, Jos. A. Spruill, Thos. J. Jarvis, Wm. M. Owens, B. S. Basnight, John A. Pledger, H. S. Sutton, E. S. Davenport, Edward Mann, Dr. D. E. Lee and Dr. E. Ransom.

On motion of Maj. James F. Davenport, the Chairman and Secretary were added to the list.

The meeting adjourned to meet again at the call of the President, Mr. Ephraim Leigh, for the purpose of a more permanent and extensive organization.

MEETING AT MEBANESVILLE.

A goodly portion of the Democrats and Conservatives of Alamance assembled at Mebanesville, on the 21st ult., for the purpose of forming a Seymour and Blair Club.

H. Harbour, Esq., was called to the chair, and J. J. White acted as Secretary.

On motion, a Committee were appointed to draft resolutions, expressive of the sense of the meeting.

While the Committee were absent, Col. Wm. Bingham was called upon, and addressed the meeting in an able and eloquent speech, setting forth the necessity of prompt and determined action.

The Committee reported a series of resolutions, which were unanimously adopted.

On motion of Col. Bingham, H. Harbour was elected permanent President, and J. J. White Secretary of the Club. Dr. B. Mebane was elected Vice President and T. B. Thompson, Treasurer.

A number of delegates were appointed to the Ratification meeting at Graham, on the 1st of August.

Col. Bingham, Dr. Mebane, and Capt. B. F. White were appointed to form a Constitution and By-Laws and report at the next meeting.

On motion of Capt. White, it was ordered that the proceedings of this meeting be published in the Raleigh *Sentinel.*

On motion, the meeting adjourned to meet on the 8th of August.

THE BANKRUPT BILL.

The following is the text of the bill amendatory of the act to establish a uniform system of bankruptcy throughout the United States, which passed both Houses of Congress last week. Its effect is to postpone the action of the fifty per cent. clause, which went into effect June 1, until January next:

Be it enacted, &c., That the provisions of the second clause of the thirty-second section of said act shall not apply to cases of proceedings in bankruptcy commenced prior to the first day of January, 1869, and the time during which the operation of the provision of said clause is postponed shall be extended until the said first day of January, 1869; and said clause is so amended as to read as follows: "In all proceedings in bankruptcy commenced after January, 1869, no discharge shall be granted to a debtor whose assets shall not be equal to fifty per centum of the claims proved against his estate, upon which he shall be liable as the principal debtor, unless the assets in writing of a majority in number and value of his creditors, to whom he shall have become liable as principal debtor, and who shall have proved their claims, be filed in the case at or before the time of the hearing of the application for discharge."

SEC. 2. That said act be further amended as follows: The phrase "presented or defended," in the fourteenth section of said act, shall read, "prosecuted or defended;" the phrase "non-resident debtors," in line five, section twenty-two of the act, as printed in the Statutes at Large, shall read "non-resident creditors;" that the word "or" in the next to the last line of the thirty-ninth section of the act shall read "and;" and that the phrase "section thirteen" in the forty-second section of said act shall read "section eleven;" and the phrase "or spends any part thereof in gaming," in the forty-fourth section of said act, shall read "or shall spend any part thereof in gaming;" and that the words "with the senior register or," and the phrase "to be delivered to the register," in the forty-seventh section of said act, be stricken out.

SEC. 3. That the registers in bankruptcy shall have power to administer oaths in all cases, and in relation to all matters in which oaths may be administered by commissioners or circuit courts of the United States, and such commissioners may take proof of debts in bankruptcy in all cases, subject to revision of such proofs by registers by court, according to the provisions of said act.

THE REGULARS AND THE CARPET-BAGGERS.

The Chicago *Tribune*, the leading Radical organ of the great Northwest, has no patience with the new carpet-bag Senators and Representatives. It accuses them of officiousness and impertinence. The *Tribune* says that instead of manifesting that modesty which becomes men in a new position, and leaving the direction of affairs to the old and experienced members, they were no sooner sworn in than they insolently undertook to dictate to Congress. This "handful" or "parcel of men," says the *Tribune*, made three demands. "One calling upon Congress to continue in session till winter, another demanding legislation for the relief of loyalists in Texas, Mississippi and Virginia, and a third calling for the impeachment of the President, and pledging the assembly to use its best efforts to keep Congress at Washington until he had been removed from office."

The *Tribune* calls them "hot head neophytes," who are "caballing with outsiders from their section of the country, and with political adventurers hailing from nowhere, to produce a pressure for the purpose of influencing legislation."

* * *

Congress has passed resolutions of sympathy with "the suffering people of Crete." The *National Intelligencer* says: "The men who stand up and prate over the wrongs of Crete are those who vote deliberately to subject the virtue, intelligence, education and refinement of ten millions of white men, women and children to the brutal passions, vicious propensities and debased ignorance of three millions of blacks, just emerged from slavery."

COLLEGES AND SCHOOLS.

Louisburg Female College,
FRANKLIN CO., N. C.
THE FALL SESSION OF 1868 will begin on the 13th day of August.
The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.
CHARGES PER SESSION OF 20 WEEKS:
Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.
ADVANTAGES.
An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.
For Circulars, containing full particulars, apply to T. M. JONES,
June 15-tf President.

Wake Forest College, N. C.
THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.
Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.
The officers of intruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.
The location of the College, in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.
A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.
Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.
Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

THE SENTINEL.

LOCAL DEPARTMENT.

MONDAY, AUGUST 3, 1868.

TO MONTHLY SUBSCRIBERS.

Those who subscribed for the *Sentinel* at the beginning of the session of the Legislature, and paid for one month, are reminded that the time for renewal has arrived.

COUNTY CONVENTION.

We are requested to announce that a Convention of delegates, from each Captain's District in the County of Wake, will meet at the Court House, in Raleigh, on the second Saturday, (being the 8th. day,) of August next, to appoint delegates to attend the Democratic State Convention, and to make such other arrangements as may be deemed necessary.

Our friends throughout the County are urged to hold meetings at once, to send delegates, and to form SEYMOUR and BLAIR Clubs.

All the friends of Seymour and Blair are invited to attend the County Convention.

SEYMOUR AND BLAIR!!

A meeting of the Democrats and Conservatives of Raleigh will be held at the Court House, this (Monday) night, for the purpose of naming delegates to the County Convention, which is to assemble in this city, on Saturday next, to appoint delegates to the State Convention.

Addresses may be expected from distinguished gentlemen.

NEW ADVERTISEMENTS.—Inks, Black and Colored: Wm. E. Pell, *Sentinel* Office.

Coffees, Candy, Soda, Flour, Irish Potatoes: Upchurch & Dodd's.

N. C. and Sugar cured Hams, Sides, Gunpowder and Shot, Lard, Turnip Seed, &c.: G. T. & W. C. Stronach.

Lightning Apple Parers, Garden and Farm Tools, Oil, Lead and Varnishes: Thomas H. Briggs, Fayetteville Street.

SEVERAL meetings were held in various parts of Wake, on Saturday, for the formation of Seymour and Blair Clubs. We hope that our friends will not fail to send in the proceedings. Every exhibition of the earnestness of the people helps on the good cause.

THE MASS MEETING AT SELMA.—The Seymour and Blair meeting at Selma, on the 11th. instant, promises to be a grand affair. The most extensive arrangements have been made for a glorious rally of the friends of the Constitution and the Union. Among the distinguished Speakers who have promised their attendance are W. M. Robbins, Esq., Hon. Jas. W. Osborne, Col. R. H. Cowan, and Plato Durham, Esq. Let Raleigh send a full delegation.

THE APPROACHING CONVENTION.—THE PEOPLE—*the true people*—of North Carolina are moving in every quarter. The Democratic State Convention on the 13th. prox. promises to be the grandest affair of the sort ever held in the State. Come up, friends! Come, with your banners and music. The various railroads will doubtless pass delegates and others at half fare and run special trains on the occasion. We think that we can safely promise that every Democrat and Conservative in Raleigh, who can possibly do so, will entertain one or more guests.

LEGISLATURE, SATURDAY.—The proceedings in the House, on Saturday, were devoid of interest.

In the Senate, Majority and Minority reports, from the Committee on Salaries and Fees, were submitted. As we expected, the most extravagant and outrageous salaries are contemplated,—at a time, too, when the people are over burdened with taxes and there is a deficit in the Treasury. But the Legislature can borrow at enormous interest, and the cormorants can be fed!

EDGECOMBE.—There was a glorious rally of the friends of Seymour and Blair, at Tarboro', on the 25th. ult. Judge Howard addressed the meeting in a clear and forcible speech. Forty delegates were appointed to the approaching State Convention.

WILSON.—The Democrats and Conservatives of this county have held a large and enthusiastic Ratification meeting, and appointed two delegates from each Captain's District to the Democratic State Convention on the 13th. inst. An Executive Committee for the county was also formed.

ONE FEATURE of the late immense torch light Ratification meeting of the friends of Seymour and Blair, in Selma, Alabama, was forty young ladies, representing the States and Territories, borne in a triumphal car through the streets.

THIEM & MILLER'S EXCHANGE.—The new Restaurant, opposite Tucker Hall, fitted up by Thiem and Miller, is said to be a gem of taste in its interior arrangement and decoration, while the inner man can be supplied with everything palatable and refreshing.—It beats anything of the kind, we are informed, ever established in Raleigh.—Thiem, we expect, is responsible for the handsome getting up, while Miller, always polite and accommodating, will do the honors.

DEAF MUTE CASKET.—This paper is published very neatly at the Institution for the Deaf, Dumb and the Blind, in this city, once a month. The July No. gives an account of the history, progress and government of the Institution. The students last session numbered 104. Under the superintendence of W. J. Palmer, Esq., and his excellent assistants and teachers, the management has been efficient and the Institution is growing in character. The re-appointment of Mr. Palmer will be universally approved.

Let us have peace, says Grant. Grant's masters in Congress seek a new civil war at the South.

WHAT WE MUST DO IN SELF-DEFENCE!

At a meeting of the Seymour and Blair Club, held at Wadesboro', on the 25th ult., the following resolutions were unanimously adopted:

WHEREAS, It is the avowed policy of the leaders of the Radical party in this State to exclude from every employment under the State all persons who are opposed to the principles of that party; and whereas, we, as a portion of the Conservative party of North Carolina, are opposed to Radicalism in all its forms, principles and policy; therefore,

Resolved, That, in self-defence, we will, on all occasions and under all circumstances, give preference to laborers and others of the Conservative and Democratic party in all employments under our control.

Conservatives and Democrats, everywhere, *are forced* to adopt this policy. Our opponents are determined, AND SO MUST WE BE. Stand up to your friends! Help those who help you! Yet relieve the starving of all creeds, who are worthy and deserving.

THE NEW YORK *Tribune* advises "Northern men, who are not Democrats, not to emigrate Southward, until it shall have been settled that they may there enjoy the protection of the laws." What contemptible malignity and implied mendacity! Every one of the Southern States is either under Radical rule or military sway, and *all* of them have been governed by the sword and the bayonet since the surrender. If any one, therefore, has been, or is, deprived of the "protection of the laws," whose fault is it? The only people who are likely to be deprived of the "protection of the laws" in North Carolina, are the true *white* men of the State, whom it is proposed to oppress, intimidate and keep from the polls by an armed negro Militia or Police force! *We* would not advise anybody to "emigrate Southward," if such an infamy is consummated,—for we shall have neither peace, quiet, security nor "protection of laws."

The *Tribune* knows very well that the prime instigators of all this mischief are the Northern carpet-baggers, who wish to fill their hungry maws by schemes of disfranchisement, plunder and terror. Their lawless, vindictive and mercenary designs are abetted by only a few depraved and abandoned scallawags and turbulent negroes.

WAYNE.—A large number of the citizens of Goldsboro' met in that place, last week, to form a Seymour and Blair Club. Dr. A. C. Davis was called to the Chair and Messrs. T. W. Slocumb and E. B. Goclet were appointed Secretaries. The meeting was ably and eloquently addressed by Col. J. W. Morris, Hon. W. T. Dortch, Col. L. W. Humphrey and Wm. Robinson, Esq. Great enthusiasm prevailed. The following permanent officers of the Club were chosen, viz: President, Col. L. W. Humphrey; Vice President, W. G. Morisey, Esq; Corresponding Secretary, Dr. Daniel Cogdell; Recording Secretary, Thos. W. Slocumb, Esq.; Treasurer, Jno. H. Powell. The subjoined resolutions, among others, were adopted, viz:

Resolved, That we do assure the colored people of Goldsboro' and Wayne county of our kindly and friendly feelings towards them, and hereby invite them to unite with us in this organization to restore constitutional government and to subvert the reckless acts of the radical party.

Resolved, That we invite the people of the county to meet us here *en masse* on Saturday, the 1st prox., to consult together and to nominate delegates to the State Democratic Convention to be held in Raleigh on the 13th day of August next.

A CAPITAL EXAMPLE.

At a Mass Meeting in Anson, recently, among large numbers of white Conservatives and Democrats, there were a number of blacks and colored persons. After Col. Bennett and others had addressed the meeting, some anxiety was manifested to hear from Mike Edwards, a colored man present. The *Argus* says:

> "Mike responded, and addressed himself mainly to the colored folks, in a few well timed and sensible remarks. He pointed out to them the wrong they were doing themselves in operating with and voting with people who were doing all they could to degrade their old masters, and how much their course was bound to injure those upon whom they were dependent for their bread. If those who employ them suffer, so must they."

AT A LATE meeting of the Conservative Army and Navy Union, in Washington, that gallant soldier and patriotic statesman, Gen. Ewing, said:

> "Comrades, it is for us to shake off this horrid incubus that hangs above our Southern brethren, and we will do it at the ballot-box in November. (Prolonged applause.) It is impossible that any sensible Radical can for a moment believe that these governments can stand—despotisms planted on the necks of men as brave as we are, men who love liberty as much as we do, men of a race who during the past 300 years have never bowed to a despot."

ANSON.—At a late meeting of the friends of Seymour and Blair, in Wadesboro', any Conservative citizen of Anson, who may be in Raleigh on the day of the meeting of the approaching State Convention, is requested to represent the county. In default thereof, Hon. Sion H. Rogers and R. H. Battle, jr., Esq., are requested to act as proxies.

Hams, Sugars, Coffees, Fine Old Whiskies: B. P. Williamson.

MISCEGENATION.—Some of the Yankees who have come to this city since the close of the war have illustrated their belief in the doctrine of negro equality by marrying negro women. We heard yesterday of two cases in which white men from the North had married mulattoes. The marriages were solemnized, we learn, in Washington.—*Rich. Enquirer.*

GEORGIA DEMOCRATIC CONGRESSMEN.—Hon. Nelson Tift, one of the newly admitted Representatives in Congress from Georgia, asks a correction of the statement of our correspondent O. K., made on the 27th instant, classing him politically as a republican. Mr. Tift says he is now and always has been a democrat. Mr. Young, Representative from the same State, was correctly reported to be a democrat. Both are native Georgians, and are, as we are assured, men of character and intelligence.—*Balt. Sun.*

GRANT says "Let us have peace." What does he mean but that the "Empire is peace?"

STATE NEWS.

Zara Ben. Jeames (better known as Font Taylord) made a so called speech to the negroes of Warren, on Monday of last week. He was accompanied by Jim Jones, another darkey. The *Courier* was more favorably impressed with Jim Jones than with Zara Ben.

Eaton Robinson, negro, of Warren, sensibly declines the appointment of Squire affectionately tendered him by the man who "writes himself Governor." Eaton says he knows more about shoe-making than administering the law.

Mr. John H. Hyman, of Scotland Neck, died at his home on Wednesday, the 22nd. ult., of consumption.

The individual, "who writes himself Governor," has made the following appointments, in part, of magistrates for Granville, viz: Capt. I. J. Young, R. E. Young, W. H. Hughes and S. G. Wilson. The Henderson *Index* suggests that, under *existing circumstances*, one of them would do well not to accept. If he does, it will ventilate him.

The Democrats and Conservatives of Newbern have entered upon the campaign with fine spirit. Meetings are frequent and enthusiastic. At the last meeting of the City Club, a Committee of six from each Captain's District in the county was appointed, to attend to the organization of Seymour and Blair Clubs throughout the county.

The *Journal* intimates that Galloway, the negro "Senator" from New Hanover, slapped the face of one of the white Radical officials elect in that county, during a recent visit to Wilmington.

The Concord *Press* states that a highly respectable Conservative gentleman, Col. Kennedy, living within four miles of Big Lick, Stanly County, was rocked a short time ago by the "trooly loil" of that section. Since that time, Col. K. has received several notes, ordering him to settle up his business and leave, on penalty of being hung for failure. Such outrages, the *Press* is informed, are of frequent occurrence in that neighborhood. If Holden's black and white standing army is formed, they will never be sent to "Big Lick."

Messrs. Sherwood C. Liles and Sanford Liles, of Anson, appointed magistrates by Holden, decline the "honor." The former says, with true spirit, that "he covets no *honors* from the source whence this appointment comes"; and the latter says, with equal manliness: "I do not want any office; and, if I did, would, most certainly, not ask it at the hands of Gov. Holden. Besides, there are men appointed as magistrates in Anson with whom I could not associate, officially or otherwise."

We have received an advance copy of a little pamphlet by Sergeant Bates, giving an interesting account of his march through the South, from Vicksburg to Washington. The work will be used for campaign purposes. Orders can be sent to Sergeant Bates, care of Conservative Army and Navy Union. Price $8 per hundred.—*Wash. Express.*

Stokes, the Tennessee "loyalist," who does not know as much about the English language as Theodorus did about Choctaw, enlisted as rebel soldier May 10, 1861, and "commended Isham G. Harris, Governor of Tennessee, for arming the State and resisting Lincoln at the point of the bayonet."

GOVERNOR OF TENNESSEE.—The election for Governor in this State will not take place until August, 1869, and the neighbors of Andrew Johnson already press his name for the Gubernatorial office—the best they can give under the circumstances.

A dispatch from Chicago says: "Mr. Pendleton has been invited by the Democratic State Committee to stump Illinois.—It is reported that he has accepted the invitation, and will make his first speech about the middle of August at Springfield."

The Radicals have increased the national debt since the close of the war nine hundred millions of dollars. At this rate, if that party is continued in power, how long will it take the nation to get out of debt, and relieve the people from taxation?

In Kentucky, ex-Governors Bramlette and Jacob, Governor Stevenson, and Colonel Wolford, are all on the stump, and the enthusiasm is great in spite of the fact that the Radicals oppose no ticket to make a fight.

Atlanta was illuminated on Friday night. This time in honor of the Union candidates, not by Federal Generals in the name of Union by the blazes of her own dwellings.

It is no wonder that Butler did not hurt the rebels at Big Bethel. When they cocked their guns he cocked his eye and shot to the rear.

Grant is as dead as the hundred and seventeen thousand poor fellows that he sacrificed between the Rapidan and City Point.

The negro and scallawag members of the Texas Convention have voted themselves fifteen dollars a day for their valuable services in making a Constitution.

It is said that the Editor's Drawer in *Harper's Magazine* is made up by a woman. So are a great many editors' drawers.

THE FUNDING BILL DEAD.—It is authoritatively announced that the President will not sign the funding bill.

Mr. Seymour is a judge of men, Grant of horses and pups.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Aug. 1st, P. M.

Considerable anxiety is felt regarding the position of the Cabinet.

The New York *Times* (Radical,) says that the position of the Cabinet in regard to the Democratic nominees is ascertained to be as follows:

"None of them are satisfied with the nominations, but Messrs. McCulloch and Browning will probably support them, while Messrs. Seward, Randall and Welles will, unless they alter their present opinions, remain as neutral as possible during the campaign, and Messrs. Evarts and Schofield will vote for Grant and Colfax."

The time for converting Seven-Thirties expired to-day. There are about five millions outstanding, which will be paid in currency, at par.

The Republican National Executive Committee is in session at New York.

The President has tendered to Lt. Gov. Cox, of Ohio, the revenue commissionership, assuring Cox that Rollins would give way to him, and relieve all parties of trouble. Cox declines on account of engrossing personal business.

FROM NEW YORK—SANTA ANNA.

NEW YORK, Aug. 1, P. M.

The steamer *Missouri* brings details that the Cubans are petitioning for the abolition of the censorship of Telegraphic dispatches.

The editor of the *El Paya* has been arrested, for slandering Santa Anna.

Great excitement prevailed regarding Santa Anna's emissaries at New Orleans. The government is taking measures to give them a warm reception, whenever they might land.

FROM GEORGIA.

AUGUSTA, Aug. 1, P. M.

A Republican mass meeting, mostly composed of negroes, was held at the Court House, to-day, for the purpose of appointing delegates to the State Convention.

A letter was read from Joshua Hill, saying that he would stump the State for Grant and Colfax.

FROM NEW ORLEANS—NO YELLOW FEVER, &C.

NEW ORLEANS, Aug. 1, P. M.

The report that yellow fever prevails in New Orleans is a great mistake. But two deaths have occurred during the season—sporadic cases.—The city was never healthier.

Gov. Warmouth nominated, and the Senate confirmed, five Judges of the Supreme Court, on yesterday. Jno. T. Ludwig, Chief Justice, was a prominent Conservative member of the Convention. J. G. Taliaferro, one of the Associate Justices, was President of the Convention, and the late Conservative Republican candidate for Governor. Two of the others were already on the Bench.

FROM ALABAMA—THE LEGISLATURE.

MONTGOMERY, August 1, P. M.

In the Senate, to-day, a militia bill was passed. It simply authorizes the Governor to organize the militia when he sees proper.

The disability removal bill was hotly discussed. Mr. Pennington, (good for John!) and other Republicans, strongly urge the removal of all disabilities. The native Republicans generally favor it, but the Northern Republicans (carpet baggers) oppose it.

In the House, Mr. McCraw, the Speaker, got through a bill removing the disabilities from the people of Chambers county. This is hoped to be the entering wedge for a general bill.

The Common Carrier Bill, introduced by a negro from Mobile, is a bone of contention and is causing much hard feeling. The negroes are clamorous for the removal of discriminations, and the mover of the bill says that if it does not pass, it will cause serious disturbance in Mobile. The bill provides that whites and blacks shall ride in the same railway cars, and in the same steamboat cabins.

THE NATIONAL DEMOCRATIC CONVENTION!
THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre-emption or homestead lands, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board,) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

Newspaper for Sale.

THE UNDERSIGNED offer for sale, on accommodating terms, the Newspaper and Job Presses, Type, Inks, fixtures and all the other material pertaining to the *Fayetteville News* publishing and printing office, together with the "good will" and subscription list of the same. Located in one of the largest towns and best sections of North Carolina, the only secular paper in all the tier of the nine counties of Bladen, Sampson, Robeson, Cumberland, Moore, Chatham, Randolph, Montgomery and Richmond, the Fayetteville *News* offers first-rate inducements to the purchaser. During the past two years it has nearly tripled its circulation, has constantly increased its material—and paid for it—and will make, by a showing of its receipts, a very gratifying exhibit.

One of the proprietors having decided to remove to another State, and the other not feeling inclined or fitted to carry on the business alone, this sale has been deemed necessary; and the most satisfactory evidence will be given persons desiring to purchase, that the present proprietors of the paper are not about to abandon its publication from any failure of success.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so the party for whom it is made, may stamp it before it is used; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that [illegible] the value of the estate [illegible].

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed to it the stamp [illegible] noting the duty required [illegible] or note is secured by mortgage, but one stamp duty is required [illegible] being the highest rate required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
